NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using.

Our message is that an addict, **any addict**, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom from active addiction.
