## To the Newcomer

This meeting list is dedicated to you and is produced to help you find meetings throughout the Greater New York Region & Eastern New York Region. The information in this book was as accurate as possible at the time of printing. Sometimes groups have to move or change their time. If you go to a listed meeting and it is not there, go to another meeting. If you can, please call our office at: (212) 929-7117, so that we can correct our meeting list for future printings. At Narcotics Anonymous, YOU are the most important person.

## We Do Recover

"When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there to do? There seems to be this alternative: Either to go on as best we can to the bitter ends - jails, Institution, or Death - or find a new way to live. In years gone by, very few addicts had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is a simple spiritual, (not religious) program known as NARCOTICS ANONYMOUS."

- Our common welfare should come first; personal recovery depends on NA unity.
- For our group purpose there is but one ultimate authority— a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- The only requirement for membership is a desire to stop using.
- Each group should be autonomous except in matters affecting other groups or NA as a whole.
- Each group has but one primary purpose—to carry the message to the addict who still suffers.
- An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
- Every NA group ought to be fully self-supporting, declining outside contributions.
- Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
- Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
- Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
- Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.
