Our message is, "That an addict, any addict can stop using drugs, lose the desire to use and find a new way to live."

...is a nonprofit fellowship or society of *people* for whom drugs had become a major problem. **We are recovering addicts who meet regularly to help each other stay clean.** There is only one requirement for membership: the desire to stop using. We have learned from our group experience that those who keep coming to our meetings regularly, stay clean.

You don't have to be drug free when you get here, but after your first meeting we suggest you keep coming back and come clean. You don't have to wait for an overdose or jail to get help from N.A., nor is addiction a hopeless condition from which there is no recovery. **It is possible to overcome the desire to use drugs.**
