WHO WE ARE

Anyone who wants to stop using drugs may become a member of Narcotics Anonymous (NA). Membership is not limited to addicts using any particular drug. Those who feel that they may have a problem with drugs, legal or illegal, including alcohol, are welcome in NA. Recovery in NA focuses on the problem of addiction, and not on any particular drug.

WHAT WE ARE

Narcotics Anonymous is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean.

WHERE WE ARE

Most NA meetings are held regularly at the same location. There are two basic types of meetings; those that are open to the public and those that are closed to the public (for addicts only.) NA meetings are informally structured. The function of any meeting is always the same - to provide a suitable and reliable environment for personal recovery.
